Objective

I'm a fresh graduate from the Computer Science and Artificial Intelligence Faculty. My main interest lies in back end development using PHP and Laravel framework. I have been focused on this field for 3 years and have gained a lot of experience in it. And I'm excited to gain even more.

Education

Bachelor of Computer Science & Artificial Intelligence
2020-2024

Grade: Very Good
Helwan University

Internships

- Jun 2024 - Present PHP Web Development **Digital Egypt Pioneers Initiative (DEPI)**
- Aug 2023 - Sep 2023 PHP Web Development **Information Technology Institute (ITI)**

Projects

- Graduation Project: Heros ([GitHub Link](#)) I worked on all the back end code individually Grade: A+
- e-Commerce: Sala7 ([GitHub Link](#))

Certifications

- Aug 2023 - Sep 2023 [Web Development \(PHP\)](#) **Information Technology Institute(ITI)**
- Aug 2022 - Sep 2022 [Back-End Course \(PHP - Mysql - Laravel\)](#) **180 Daraga**
- Jun 2024 - Jun 2024 [Database Fundamentals](#) **Mahara Tech**
- Feb 2022 - Apr 2022 [Data Structure Course \(C++\)](#) **180 Daraga**
- Jun 2024 - Jun 2024 [Clean Code](#) **Mahara Tech**
- Jan 2023 - Jan 2023 [Soft Skills](#) **Ministry of Communications and IT (MCIT)**
- Jan 2019 - Jan 2023 [English Course](#) **Real Soft House**

Technical Skills

- | | | | | |
|--------------|---------|--------------|--------|------|
| • HTML | PHP | OOP | Git | SSIS |
| • CSS | MySQL | Postman | GitHub | |
| • JavaScript | Laravel | Restful APIs | Python | |

Soft Skills

- Communication
- Cooperation

Languages

- Arabic (Native)
- English (Fluent)
- Germany (Basics)

Voluntary Activities

- | | | |
|-----------------------|---------------------------|-----------------------------------------------------|
| • Dec 2023 - Mar 2024 | Google DSC MTI University | Member of the Back-End Committee |
| • Dec 2023 - Mar 2024 | MSP Tech Club - Al Azhar | Member of the Mobile Committee |
| • Oct 2022 - Jul 2023 | MSP Tech Club - Al Azhar | Member of the Back-End Committee
(PHP & Laravel) |

Achievement

- [The best of BackEnd Developers in MSP Al-Azhar](#)
